# **■** NetApp

## **Additional resources**

**Astra Automation** 

NetApp September 06, 2022

## **Table of Contents**

Additional resources	 	 1
Astra	 	 1
NetApp cloud resources	 	 1
REST and cloud concepts	 	 1

## **Additional resources**

There are additional resources you can access to get help and find more information about NetApp cloud services and support as well as general REST and cloud concepts.

### **Astra**

Astra Control Center documentation

Documentation for the current release of the Astra Control Center software deployed on the customer premises.

Astra Control Service documentation

Documentation for the current release of the Astra Control Service software available in the public cloud.

Astra Data Store documentation

Documentation for the current release of the Astra Data Store software deployed on the customer premises.

Astra Trident documentation

Documentation for the current release of the Astra Trident software, an open source storage orchestrator maintained by NetApp.

Astra family documentation

Central location for accessing all the Astra documentation for both on-premises and public cloud deployments.

## **NetApp cloud resources**

NetApp Cloud Solutions

Central site for the NetApp cloud solutions.

NetApp Cloud Central console

NetApp Cloud Central service console with sign in.

NetApp Support

Access troubleshooting tools, documentation, and technical support assistance.

## **REST and cloud concepts**

PhD dissertation by Roy Fielding

This publication introduced and established the REST application development model.

### • Auth0

This is the authentication and authorization platform service used by the Astra service for web access.

### • RFC editor

Authoritative source for web and Internet standards maintained as a collection of uniquely numbered RFC documents.
